## INCOMING 7TH GRADERS NEED FOR IMMUNIZATIONS

TO: Parent/Guardians of an Incoming 7th Grader

Date:

FROM: FCA Health Office

Phone: 702.533.1896 ext. 3108

Immunizations are an important part of our children's health care and Nevada Law requires that children going to school be vaccinated to prevent vaccine-preventable diseases. The purpose of this letter is to let you know your 6th grader will be required to obtain two adolescent vaccines: Tdap (Tetanus, Diphtheria and Pertussis) and Meningococcal **prior** to entering the 7th grade.

Freedom Classical Academy works hard to ensure compliance with these requirements. Your help in providing updated immunization records is a must. **Please bring your child's updated immunization records to the school no later than the first day of school.** Your child may be withheld from school until proof of these immunizations or a letter of exemption is provided. If your child cannot receive an immunization for **medical reasons**, a physician must sign a medical exemption. If you have **religious beliefs** opposed to an immunization, you must sign a religious exemption form. You can obtain these forms from the school health office

If you have any questions about these immunizations or whether your child has previously met these requirements, please give me a call. Thank you for your cooperation.

Sincerely,

Mrs. Tesz Iglesia Felipe, BSN, RN  
School Nurse
