

Title IA: Title I Notification Letter

September 18, 2025

Dear Parent or Guardian,

The purpose of this letter is to notify you about important information regarding your child's school and to detail the protocol for measuring the academic performance of public schools in Nevada. The Nevada School Performance Framework (NSPF) is a critical part of the Education Performance System and utilizes a five-star classification system.

In December 2015, the Every Student Succeeds Act (ESSA) was signed into law. Highlights of ESSA include holding all students to high academic standards and ensuring that the lowest-performing schools are provided the appropriate supports for school improvement. Information is provided below about our school.

School Specific Information

Freedom Classical Academy elementary has received an index score of 48.5, or 2-stars, based on the data from the previous school year. This is a significant increase from our previous score of 26.5 and we sincerely thank our parents and students for their continued hard work as we strive to improve each school year.

Freedom Classical Academy middle school received a score of 65.5 and is rated as a 3-star school.

School Specific Actions

Freedom Classical Academy is using allocated Title I funding to:

- Provide instructional coaching and data support to teachers
- Provide pull-out intervention groups to students
